F. All the Promises of God are yes and amen to every believer unto His glory by us (2 Cor. 1:20). Our part is to receive them into our lives by faith. Based on what you have seen and will continue to see as you go over these Promises, release your faith and receive God's yes, through imagining the liberating power of His Word.

1. Write down the date you believe you received. _____

G. Receiving is believing you have God's answer. When you prayed it was added to you in the spirit realm. Now your faith will bring it to pass in the natural realm, as you continue to believe. Write out a statement confirming your faith that you have received what you asked God for.

When we receive a gift from someone, we always say, "Thank you." Start your statement out with, "Thank You."

G. Now that you have God's Promise added to your life, what actions of faith can you do legally, morally, and scripturally to show what you have. These are your corresponding actions of faith or preparation for what God has given you. Faith without these actions is dead, so take action (*James 2:14-26*) List them below:
